## COMING BACK: PEACE BY PIECE

Peace by Piece is a grief support group that has run, in partnership with Jewish Family Service of Tidewater, for more than 21 years. During this time Peace by Piece has helped countless children and families in the Hampton Roads community process the loss of someone they love. *continued on pg. 2*

And More!

In the wake of COVID-19 and the isolation it has caused families, we know now, more than ever, Peace by Piece could serve as a beacon for those families dealing with grief. Although groups may look different this year, we are so glad that we were able to resume a modified group in person. We are also so thankful to the families that continue to be a part of Peace by Piece, either through attending group or by their continued support and kind words regarding the program. Some of our families have shared what this program has meant to them. We've also included some photos from the past.

#### **FAMILY TESTIMONIALS:**

*Peace by Piece has helped our family realize what we do is enough. There is no grief handbook and by doing our best every day that will be good enough!*

**- Dawn B and family**

*After we suddenly lost my husband and father of my five-year-old daughter, our worlds turned upside down. After a few weeks I decided not to attend my daughter Lauren's Kindergarten open house because I was planning on going with my husband, but he was gone. A few weeks later, I registered my daughter for Kindergarten and explained why I didn't attend the open house. The school told me about Peace by Piece. I thought this could be a great program for Lauren, but it also turned out to be a great place for me.*

*Lauren could be in a place where other children also wished their mommies, daddies, brothers, or sisters could come back, but knew that this wish wouldn't come true. She looks forward to the meetings on Thursdays to see new friends and is learning to cope with feelings of losing her daddy by treasuring good memories of us as a family. At times I felt very lonely in my grief, and Peace by Piece provided me a safe place where people understood what I am going through every day. It is here that I learned that there is no right or wrong way to grieve, just what feels right to me. I also learned that in order to take good care of my little girl, it is important that I take care of myself - including my emotions.*

*We are forever grateful to every member and volunteer of the Edmarc and Peace by Piece organization. They may not know it, but little by little they are helping my daughter and me to restore peace in our hearts. In a way they have become a second family to us.*

**- Liliana F and family**

Life threw a devastating curve ball with the loss of my husband and father to our young children. How would our family face the upcoming holidays, next month or even another day without him? I don't even remember how we connected with Peace by Piece, but what a blessing it was from day 1. My children bonded with others their age as well as to their group leaders. Because of them, they were able to express their thoughts, feelings and not have to pretend "everything was fine." This was the one place where we all felt safe, did not feel alone in grief, and could easily talk about our loved one and let our tears freely flow.

I was able to meet with other adults as well as widows which was a lifesaver. Their experiences and advice helped me navigate through some pretty discouraging and depressing times. Peace by Piece is a group led by caring people who have helped my family rebuild our lives. They walked with us on our long path through grief and were instrumental in our pressing forward toward healing and hope.

For this and the many other things they do, we are forever grateful!!

- Dana B and family

"If I did not have Peace by Piece, I would have felt more sad and lonely," said my daughter Neyla. I think that statement perfectly sums up the impact Peace by Piece has had on our family. When we first came to Peace by Piece, we felt so sad, alone and frightened about our future. However, since the very first meeting we realized that we were not alone, and that there were other young families going through the same family crisis. We were able to meet others and form friendships with people who could relate to all of the mixed feelings that comes from losing a loved one. The meetings also provided a distraction from our normal routine of living in our own space with grief. Here at the meetings, we didn't have to mask our feelings and we were given a space to have fun at times, via fellowship with food, family nights, and recognizing birthdays. Lastly, the fear of our future was lessened by the hope offered and found in the meetings. Due to the flexibility to attend the meetings as long as needed, we have seen families in every phase of their grief journey, which has allowed us to see with good support, grace, and time peace can be restored.

- Allinda P and Neyla

## a note from EDMARC

Leaves turn from green to brilliant shades of yellow, red, and orange, signaling the onset of fall and another season of uncertainty. At the beginning of the year, we imagined the holidays would follow the traditions we've grown accustomed to here at Edmarc. Who knew what 2020 would bring? This year the

holiday season will look very different, but we will still bring a spirit of hope to those who need it most.

Throughout the spring and summer, we have cared for families while adhering to important safety guidelines established by the CDC and the Commonwealth of Virginia. We provided both in-home and telehealth visits to children in our clinical program and resumed in-person monthly grief support meetings for moms and dads in the bereavement program beginning in June. When September arrived, we started our Peace by Piece community grief support program in a new format as you'll see in the cover story.

Looking to fall and the holidays, we still plan to celebrate traditions with our families. While it may not be with quite the same fanfare, Santa will still make a drive-by visit and deliver something special. The Edmarc elves also plan to assemble the fixings for meal deliveries as well. With safety being the top priority, we have been forced to think creatively on how to celebrate special traditions a little bit differently during a pandemic. And we cannot do that without your support. Your love of our families and support of our mission helps us deliver hope during a very dark time.

Edmarc will be here for our families for the long haul. We need you now more than ever to fulfill that mission. You have continued to make donations, send items from our wish list, and volunteer your time. Your kindness and support, during this uncertain time, has meant the world to us. We hope you all remain healthy and safe, and we wish you the best during the upcoming holiday season.

Take good care,

**Debbie Stitzer-Brame**

## CARING FOR EDMARC

**Rain was the theme of the United Way's Day of Caring this year, but that didn't stop volunteers from helping.**

A cheerful group from the TowneBank family came to Edmarc filled with enthusiasm. They power washed, cleaned our grounds, trimmed our shrubbery, and gave the entire outside a facelift on a slightly wet and cool Friday. We are so grateful that these volunteers rescheduled their time and worked through the weather conditions, figuring out how they could still make a difference during the midst of a pandemic.

A few days later our friends with the Kiwanis Club of Norfolk came to help us even more by trimming trees, cleaning up our pond, and removing debris from the grounds. Edmarc is lucky to have so much community support!

## VIRTUAL EVENTS

This year has brought many changes to the way Edmarc operates. Adaptations and creativity are at the forefront when planning. We love seeing people in person and being able to interact face-to-face, but that has just not been an option. Instead, we shifted how we connected. Virtual became the theme for part of the year starting with our **Friendraising Breakfast**. One of our bereaved mothers, Liz, shared her and her daughter Sammie's journey with Edmarc through a YouTube video which participants simultaneously viewed. Our **Volunteer Awards** were presented via Facebook and Instagram Live. Volunteers tuned into the magical Harry Potter themed presentation and had their awards delivered to them via "owl". We also had to adjust how we held **Camp M.A.G.I.C.** Since we couldn't gather for the weekend in person, Sara and Abbey, our Director of Bereavement and Social Worker respectively, posted videos of creative grief activities families could do at home together. While none of the situations were ideal and we would much rather hold them in person, we are thankful that we had the capability to still interact and host these events.

# VOLUNTEERS MAKE IT HAPPEN

We have greatly missed seeing many of our volunteers this year. They have a tremendous impact on our program, and we miss the in-person connections we have when we see their smiling faces. Though the volunteer opportunities haven't been as plentiful, we have still had many volunteers help from a distance to keep Edmarc running. Volunteers have continued to deliver groceries (with added safety measures), cleaned and mowed the Edmarc grounds, helped families with yardwork while maintaining a safe distance, and mailed birthday cards to our kiddos. We're so grateful that these amazing volunteers have been willing to adjust and accommodate, putting the needs of our families first and making it work.

Though it was through the magic of technology, Edmarc's Volunteer Appreciation "Dinner" was still worthy of a wizard's admiration. Our volunteers support Edmarc so completely and selflessly, and we didn't want a pandemic to diminish the gratitude they deserve. The awards took on a Harry Potter theme which was fitting considering our volunteers must be wizards to accomplish all that they do in any given year. The ceremony was held virtually through Facebook and Instagram Live, and volunteers were recognized for all their contributions while enjoying their dinner at home as Edmarc staff "presented" from our home. Volunteers then received their awards in the mail via owl...it may not have been an admission letter to Hogwarts, but it was the next best thing.

Thank you to all our volunteers for all the support, willingness, and kindness you show.

Dear Friend of Edmarc,

This year has been like no other and tough on all of us. These unprecedented times have become a strain all around, forcing everyone to make changes and adapt to a “new normal”. While we look forward to a time when this normal becomes a thing of the past and we can once again look forward to gathering in person and celebrating life, right now, we are looking forward for ways to make the upcoming holiday season special for our families.

For each of us, the holidays represent a special time, and this year more than ever, it is important for families to come together and celebrate the season. However, for many Edmarc families, the holidays can be extremely challenging. They are doing all they can to care for their child facing a life-threatening illness and our bereaved families are dealing with the grief of the first holiday season without their precious child. And to top it all off, these last few months have brought even more challenges their way.

This is why we need your help. Please consider how you can spread a little joy and hope this year to our families. While we keep in mind the safety and needs of our families, the ways to help look a little different this year, but we would still love for you to be involved.

**HOLIDAY FOOD BASKETS** – supply a traditional holiday meal for a family in November and/or December

**FOOD DRIVE** – hold a food drive with you family, neighbors, or coworkers to donate to Edmarc’s pantry so we can stock up our families

**TOY DRIVE** – hold a toy drive with your family, neighbors, or coworkers to provide gifts for Edmarc kids ranging from newborn to teens

In-home care and supportive counseling for our kids and families has become more vital this year. And with that said, a chance to celebrate the season is even needed more than ever. With the generosity of folks like you, we can bring a bright end to this year as well as hope for these families.

Details for the holiday opportunities are provided on the Sponsorship Form. We hope that you will consider contributing to these worthwhile endeavors. For more information, you may contact Addi Clemens-Cooke at 757.967.9251 or [clemensa@edmarc.org](mailto:clemensa@edmarc.org).

## GRATEFUL FOR SUCCESSFUL GOLF TURNOUT

Edmarc's 24th Annual Charity Golf Classic was one to remember. When COVID-19 started having an impact around the community, we were unsure of how our plans would unfold. Thanks to our tournament committee, volunteers, and the staff at Cedar Point Country Club, the day was safe, fun, and successful. We raised nearly \$34,000 for the care of Edmarc kids and families! Our golfers were fantastic and rolled with last-minute changes, especially when we had to go to individual tee times. Our volunteers made sure everyone had the safest and best experience possible. We even had a visit from Big Ugly Brewing, serving up craft beers for our players. Thank you to everyone who played, volunteered, worked, or sponsored this year. You are the reason we can continue to serve kids and their families even in uncertain times.

## Donate Your Car to Edmarc

Thinking of selling your old car, truck, boat, or RV? Why not donate it to Edmarc and make a difference to the life of a child? Your donation is tax deductible and free towing is available. For more information about our vehicle donation program, please call 757-967-9251 or logon to [edmarc.org](http://edmarc.org). Why not choose this easy way to dispose of a vehicle you no longer need, and help our children and families in the process?

Just recently we had a very special family we served donate their car in memory of their dearest Emilio. "With love and gratitude to Edmarc for being by our side during the most difficult time in our lives," from Carlos, Scarlet & Sofia.

## THANK YOU FOR YOUR DESIGNATIONS!

Many, many friends, nearly 1,000 of you, designated Edmarc as the recipient of your contributions in last year's workplace fundraising campaign. That includes all United Way donors and federal employees who participated in their workplace campaign. A reminder - the new campaign is upon us. We count on your designations and deeply appreciate your faithful support. Thank you again and again for all you do!
