WHAT IS EDMARC?

Edmarc provides family-centered care for children facing a life-threatening illness. We provide in-home care, allowing them and their families more time together. Founded in 1978, Edmarc provides nursing care, psychosocial support, volunteer services, and fun events for the entire family. For 30 years, the Edmarc Charity Golf Classic has helped support this crucial cause so that families never face the burden of a bill for the services received.

DID YOU KNOW EDMARC PROVIDES CARE FOR ILLNESSES OTHER THAN CANCER?

While Edmarc cares for many children with cancer, we also provide support for kids with other life-threatening illnesses such as genetic disorders, chromosomal abnormalities, and organ failure.

DID YOU KNOW EDMARC PROVIDES SIBLING SUPPORT?

When a child is sick, the whole family is affected. This is why Edmarc social workers are there to work with the siblings, providing emotional support and help develop coping tools.

DID YOU KNOW EDMARC PROVIDES BEREAVEMENT SUPPORT FOR PARENTS?

Our bereavement program hosts a monthly Moms' and Dads' Grief Group for bereaved parents. This offers them a chance to share their grief with other bereaved parents and find unique comfort and support.

DID YOU KNOW EDMARC HAS A PERINATAL PROGRAM, BRIDGES OF HOPE, FOR EXPECTING PARENTS?

When a baby is diagnosed with a life-threatening illness during pregnancy, Edmarc social workers provide support to the parents by accompanying them on doctor visits, clarifying information, and helping them with whatever the outcome may be.
